1. Any other costs not budgeted for or reported on pages 2-10 of FORSCOM Form 253-R will be reported in detail and fully justified on this form. Such costs could include the following:

- a. Damages and claims
- b. Equipment losses.
- c. Other contractual services (not included on pages 7 and/or 8 of FORSCOM Form 253-R).
- d. Costs arising from the loan of stock-funded items requisitioned on an inventory-temporarily-in-use loan.

2. Costs should be budgeted and/or reported separately by EOE, identified to basis of costs (i.e., loss, damage, contractual service, etc.) with different type items involved listed separately to include brief description and/or materiel category where applicable.
