## **FORSCOM Supplement 1 to AR 350-9**

o. Notify CONUSA/WESTCOM/1st SOCOM, OCAR, NGB, OCONUS commands, Third U.S. Army and CONUS-based Corps of the availability of the draft ODT/JCS Exercise 5-year Plan for review and dates for the annual planning workshop.

**Paragraph 2-5e.** Add the following:

Third U.S. Army will submit request for OMAR and OMARNG funds to HQ FORSCOM as part of the normal budget process.

**Paragraph 2-5i.** Add subparagraphs (1) and (2):

(1) The approved ODT plan constitutes theater clearance for 0-6's and below. AC and USAR General Officers must receive approval from HQ FORSCOM for OCONUS travel. Requests should be forwarded to FORSCOM AG IAW FORSCOM Supplement 1 to AR 1-40. ARNG General Officers will be approved for OCONUS travel by Chief NGB.

(2) Participating units will be notified of requirements for visa/passports.

**Paragraph 2-8.** (Added.)

### **2-8. CONUSA Responsibilities**

a. Review the draft ODT/JCS 5-year Plan for the coming execution year and 4 succeeding out years, identify units requiring a FORSCOM Form 1-R evaluation and provide comments to HQ FORSCOM.

b. Review ODT participation requests and inform HQ FORSCOM of supportability based on unit's capability, training needs, availability and ability to resource.

c. Ensure sufficient drivers are trained and licensed to drive in overseas training area. Training and licensing authority may be granted down to battalion level.

d. Ensure USAR personnel meet CONIJS APOE portcalls.

e. Monitor, through TAGs, movement of ARNG units/cells to CONUS APOE and return to home station.

f. Include unit assigned strength, for full unit participation requests, with supportability comments to HQ FORSCOM.

g. Assume movement responsibility for USAR units/cells to home station upon their arrival at CONUS APOD.

h. Submit, by 1 November each year, an after action report in memorandum format, for the previous fiscal year's ODT participation to CDR, FORSCOM, ATTN: FCJ3-TRU. Cite the following in all after-action report correspondence: RCS exempt: AR 335-15, paragraph .5-2e(7). The report will include as a minimum, the following:

(1) Number of units/cells and personnel, by reserve component, participated.

(2) Deployment/redeployment delays (identify causes and employer problems).

(3) Value Of training/ planning conducted.

(4) Quality of AC sponsor, support.

(5) Specific personnel, training and logistics problems.

(6) Actual ODT participation costs by theater (identify by JCS and non-JCS exercises).

(7) Recommendations and supporting rationale for program improvement.

### **Table 2-1, Suspense Dates and Reporting Requirements.**

Add the following:

20 March	NGB and CONUSA/WESTCOM/1st SOCOM formal comments, to include unit evaluation requirements, on final ODT// JCS Exercise 5-year Plan due to HQ FORSCOM.
----------	---

**Paragraph 3-1f.** Add the following:

If participation will be conducted in several countries, each location will be listed in the location column of the ODT/ JCS Exercise 5-year Plan. Standard abbreviations may be used. The first entry will be the desired OCONUS APOD.

**Paragraph 3-1, Participation in ODT.** Add Subparagraph h:

h. RC units based outside CONUS (48 contiguous states) requesting training in CONUS and units in CONUS requesting training in Puerto Rico, U.S. Virgin Islands, Canal Zone, Alaska, Guam, and Hawaii will be governed by FORSCOM Reg 350-2.

**Paragraph 3-2, Planning for ODT.** Add subparagraphs g and h:

g. ODT Coordination Conference (OCC). Unit/detachment representation at ODT coordination conferences is authorized and encouraged. Detachment and company size units will be limited to one representative and battalion size units two. Cells of 10 or more are authorized one representative. Unit cells of nine or less will be represented by the CONUSA/WESTCOM/1st SOCOM representative. CONUSA/WESTCOM/1st SOCOM will provide funds for their representatives to attend Overseas ODT Coordination Conferences. Units participating in ODT yearly may be excluded from OCC unless special requirements (change in mission, unique exercise requirements, etc.) occur. OCC unit representatives will not be identified on the 5-year ODT/JCS Exercise Plan. Participation will be managed through message traffic.

h. OCONUS coordination. Units/cells approved for ODT are authorized to coordinate directly with the OCONLJS command sponsor after HQ FORSCOM approves the 5-year plan in April of each year. Direct coordination for participation requested during the execution year is authorized upon FORSCOM approval of the request.

**Paragraph 4-1a.** Add subparagraphs (1) and (2):

(1) CINCLANT will identify in-country support cost requirements to HQ FORSCOM, FCJ3-TRU, as the Army Component (ARLANT) of LANTCOM. In turn, FORSCOM will identify requirements to NGB and OCAR. NGB will distribute funds for in-country support to each state, based on the 5-year JCS Exercise/ODT Plan. OCAR will provide funds for the USAR to FORSCOM for distribution to the Continental Armies.

(2) Third U.S. Army will identify in-country support cost requirements to HQ FORSCOM, Program/Budget Division. Funds will be allocated from HQ FORSCOM to Third U.S. Army.

##### **ODT/JCS Exercise Five-year Plan Development**

**B-1.** By 1 September, HQ FORSCOM will notify CONUSA/WESTCOM/1st SOCOM, OCAR, and NGB of the availability of the updated draft 5-year plan through WWMCCS and the suspense date for comments.

**B-2.** Based on their review and RC peacetime chain of command comments, OCONUS commands, Third U.S. Army and CONUS-based Corps will provide adjustments/corrections to the draft plan to HQ FORSCOM NLT 30 days prior to the FORSCOM ODT workshop. After this date, new requirements will not be accepted for staffing until the plan is reviewed and approved by HQ FORSCOM in April.

**B-3.** During the FORSCOM ODT workshop, OCONUS commands will identify minor changes/adjustments (date refinements, specific rotations) and JCS troop-listed units. CONUSA/WESTCOM/1st SOCOM/NGB representatives should be prepared to nominate units for generic unit training opportunities listed on the draft plan released in September.

**B-4.** One week following the workshop, HQ FORSCOM will provide access, through WWMCCS, to the final draft 5-year plan for CONUSA/WESTCOM/1st SOCOM, OCAR, and NGB review and comment.

**B-5.** Upon receipt of supportability-comments, CDR FORSCOM will review and approve the 5-year plan, which will be available through WWMCCS by 1 April.

**Appendix C:**

**ODT Request Procedures During the Execution Year**

**C-1.** Requests for changes to the five-year plan, after plan approval, will be submitted in the basic/one-line plan format. Only items that change need to be submitted.

**C-2.** New participation requests will contain all information shown on the detailed/two-line plan format, except computer input. CONUSA/ WESTCOM/1st SOCOM will identify units requiring evaluations with their reply to participation requests.

**C-3.** All requests will be submitted by the OCONUS commands, Third U.S. Army and CONUS-based Corps to HQ FORSCOM, with an information copy provided to CONUSA/WESTCOM/1st SOCOM and NGB. HQ FORSCOM will notify peacetime chain of command if request is to be accepted for action.

**C-4.** Requests from participating units will be submitted through the OCONUS sponsor to the OCON US command, Third U.S. Army or CONUS-based Corps for submission to HQ FORSCOM.

**Appendix D:**

address as a minimum: training, results, problem areas., benefits unique to the program and recommendations for improving ODT Draft copy of the report will be left with sponsor unit before departing OCONUS training site.	
*Participating unit accomplishes with the assistance of the peacetime chain of command.	
Legend of time intervals:	
1. Before attending OCC. 2. During OCC 3. 120-180 days before training. 4. 90-120 days before training. 5. 30-60 days before training. 6. Upon arrival of advance party 7. During training. 8. Upon plan approval.	
<b>Appendix E: Public Affairs Guidance</b>	
<b>E-1.</b> Release of information concerning Overseas Deployment Training (ODT) will be made according to the Public Affairs policies and procedures of the host command. In the absence of such guidance, information may be released under AR 360-5 and AR 360-81.	
<b>E-2.</b> When a unit is selected to participate in an OCONUS exercise or Deployment for Training (DFT), release of information is contingent on receipt of approved public affairs guidance.	
a. Until public affairs guidance is approved and/or public announcement of the subject training is made, the following statement may be used by Reserve Component soldiers to notify employers: "My (Army National Guard) (Army Reserve) unit has been selected for training overseas during (month/year). We will be involved in training for approximately (number of days) beginning on (day/ month). I cannot provide any details until our training activity has been publicly announced." The statement will be used as presented. Under no circumstances will the country, theater of operation or exercise name be divulged without specific written approval from DOD or HQDA.	
b. The statement may be used by ARNG/USAR units and/or soldiers as soon as ODT is verified for the unit or individual. ODT dates within the intent of this releasable information may be used to complete Drill Date Notification cards developed by the National Committee for Employer Support of the Guard and Reserve.	
<b>E-3.</b> Information about units participating in nonexercise ODT can be released by the responsible commander using the following guidelines:	
a. Before FORSCOM approval of a unit's participation in such ODT, only the fact that an unidentified unit (or element of a unit) of a major command is scheduled for training in a general geographic area (e.g., Europe) is releasable.	
b. Specific identification of the unit (or element of a unit) and the actual training dates are releasable upon approval by the appropriate CONUSA or WESTCOM.	
<b>E-4.</b> Command information should actively emphasize the variations of environmental, political, economic and safety situations during ODT.	

**E-5.** Commanders should be prudent and use good judgement if using upcoming ODT as a recruiting device. Adverse publicity can result when newly recruited soldiers may be determined to be ineligible for ODT, due to regulatory restrictions.

**Appendix F:**

**OCONUS Transportation Checklist**

**F-1.** This checklist outlines the major actions that must occur before moving individual units for training OCONUS. Unit commanders should use the following listing as a planning guide in preparation for movement of units OCONUS. Actions detailed below should be done in sequence and not later than the date shown. Target dates for actions to be completed are not directive in nature unless specified by Army regulations or other appropriate authority. (NOTE: Asterisk (\*) indicates date of Section is specified.

<b>Action to be Completed</b>	<b>Days Prior to Deployment</b>
a. Unit is notified by FORSCOM through command channels of selection for ODT	540
b. The approved 5-year ODT Plan serves as the movement directive in accordance with AR 220-10.	*120
c. Movement orders directing authorized travel are issued by appropriate order issuing authority. NATO travel orders for travel to Europe must also be issued.	80
d. Unit requests necessary transportation from supporting installation transportation office (ITO).	75
e. Supporting ITO obtains routing and port call information.	*60
f. MTMC issues routing instructions and port call (when required) to the supporting ITO.	*30
g. Supporting ITO issues movement instructions with appropriate documentation.	15
h. Unit submits data in specified format to ITO for expedited movement report (EXMOVREP) under AR 220-10.	4
j. Provide a roster of unit personnel, which includes names, grades, and SSN, to the Army Passenger Liaison Officer (APLO).	NLT 2 days after arrival in OCONUS training area,
k. Submit to MTMC, DD Form 1341 (Report of Commercial Carrier Service) upon completion of travel for AT. Form should be provided by the supporting ITO/ U SPF0.	NLT 30 days after completion of training

**F-2.** Points of contact for assistance enroute are provided by MTMC, for groups of 20 or more, on the port call message. For groups of 20 or less, appropriate information should be provided by the supporting installation ITO.

**F-3.** Return MAC transportation will not be entered to allow personnel to stay behind in leave/tourist status. Exceptions will not be granted.

**Appendix G:**

**ODT Funding Responsibilities**

**G-1.** The commander of the OCONUS MACOM (Army Component) is responsible for programming and budgeting for all in-country support costs for units/cells participating in FORSCOM approved ODT, to include attendance of unit representatives at overseas coordination conferences. In addition to items listed in AR 350-9, paragraph 4-1b, typical in-country costs are:

- a. Temporary civilian employees.
- b. Dining facilities and issue commissary operations.
- c. Recreational services.
- d. Administrative support for evaluators.
- e. TDY for evaluators provided by OCONUS units.

**G-2.** There is no user charge for borrowed equipment, however, the borrower is responsible for lost, damaged, or destroyed items while it is the responsibility of the borrower. This may include replacement in kind or reimbursement for the dollar value required to purchase the replacement item from the supply system. These procedures are not intended to negate the requirement to process statements of charges, reports of survey, or other appropriate supply accountability procedures.

**Appendix H:**

**Reimbursement of Training Ammunition**

**H-1.** Units submit ammunition forecasts, within authorizations, through channels to Cdr, USAREUR, ATTN: AEAGC-EX-R, at least, 120 days in advance and identify supporting Ammunition Supply Point (ASP) in USAREUR. In Eighth U.S. Army, units submit ammunition forecasts within authorizations through channels to Cdr, EUSA, ATTN: EACJ-TD-RCX, at least 180 days in advance of training. Forecasts will then be sent to the supporting ASP.

**H-2.** Supporting ASP orders ammunition against UIC upon forecast.

**H-3.** Units draw ammunition on DA Form 581; ammunition is then charged against UIC on a DA Form 581.

**H-4.** Since all costs are charged against the unit's UIC, reimbursement is not necessary.

**Appendix I:**

**Evaluations During ODT**

**I-1.** Units participating in ODT will receive an annual training evaluation under FORSCOM Reg 350-2 and FORSCOM Pamphlet 135-3, (3ulde for the Analysis of Training).

**I-2.** Evaluation Policy

- a. Active Component sponsor units will ensure that a dedicated evaluator is assigned to each unit.
  - (1) Evaluation duties have priority over evaluator's normal duties.
  - (2) Evaluator must not be the AC Sponsor Unit Commander.

b. Evaluators will be identified by name to the OCONUS command, Third U.S. Army or CONUS-based Corps headquarters at least 90 days before, the unit is scheduled to arrive in theater. To provide continuity and uniformity to the evaluation, the overseas command will ensure that all evaluators receive a thorough orientation on evaluation policies and procedures before assuming evaluator duties. Evaluators should also be furnished appropriate reference material and detailed instruction for completing the FORSCOM Form 1-R (Analysis of Training Performance of Reserve Components of the Army).

c. Distribution of completed evaluation reports will be made IAW FORSCOM Pamphlet 135-3, within 30 days after completion of unit's AT period.

**Appendix J:**

**OCONUS Driver Testing**

**J-1.** This appendix outlines procedures for acquiring OCONUS driver training and testing materials for unit members training in an overseas environment.

**J-2.** Verification of RC unit eligibility for driver testing is based on the FORSCOM approved 5-year ODT Plan.

**J-3.** Procedures in USAREUR.

a. The FORSCOM J6 Information Management Division, FCJ6-OA, is the point of contact for requisitioning USAREUR driver training/testing materials from the USAREUR MMC and USAREUR Publications Stockroom.

**FORSCOM Supplement 1 to AR 350-9**

b. Test Control Officer (TCO).

(1) CONUSA will designate a TCO to manage the requisition, control, and issue of USAREUR drivers training testing material for units in their command. The TCO duties cannot be designated lower than MUSARC level.

(2) State Adjutant General will designate a TCO to manage the requisition, control, and issue of USAREUR drivers training/testing material for ARNG units in their state.

(3) Active At-my units in CONUS will request USAREUR driver training/testing materials from the installation TCO designated by the installation commander.

(4) All units will request USAREUR driver training/testing materials from the designated installation, TAG or CONUSA TCO. The TCO will consolidate requests and, Using normal DA Form 17 procedures, submit to Commander, FORSCOM, ATTN: FCJ6-OAP.

(5) USAREUR training/test materials, except wall/pocket poster and answer sheets, are reusable and should not be issued permanently to individual units, but remain under control of the TCO.

**J-4. Procedures in EUSA.**

a. Driver testing and training materials will be coordinated through sponsor unit in coordination with assigned or supporting safety office.

b. Driver training materials should be mailed to RC unit or will be provided during OCC.

c. The driver's test will normally be taken upon arrival in country Individuals to be tested must bring copy of SF 46 and DA Form 348 to the testing station.

d. For large units, special arrangements can be made, during OCC, with the sponsoring unit to test in CONUS before deployment.

**Table J-1

\* DA Form 6000 will be ordered by the TCO through normal forms/publications requisition channels.

**Appendix K:  
NATO Travel Order**

**K-1.** NATO travel orders are required for U.S. military personnel directed to travel to or through the countries, listed in AR 310-10.

**K-2.** Headquarters issuing travel orders for Overseas Deployment Training will prepare NATO travel orders in accordance with AR 310-10. Each country where training will be conducted must be entered in paragraph 2 of the travel order.

**K-3.** Units should verify training locations with OCONUS sponsor unit during OCC and insure the FORSCOM ODT Plan reflects the same locations. Discrepancies should be reported through CONUSA and OCONUS command.

**Appendix L:**

Advisors Accompanying RC Units/Cells

**L-1.** The decision for advisors to accompany cells (50 or more Pax) and units during ODT participation will be predicated on a known need for technical assistance and advice on training management, without which planning and developing training requirements would be significantly hindered. Advisors may not accompany units/cells for the purpose of performing a function normally performed by a unit member its a part of the unit's mission.

**L-2.** CONUSA/WESTCOM/1st SOCOM will establish internal procedures for the RC unit to identify the need for advisor personnel once the fiscal year ODT program is approved. Advisor personnel will be included in a unit cell ramp strength for either commercial or exercise airflow. CONUSA/WESTCOM/1st SOCOM. may approve advisor participation that meet the parameters of this regulation. Requests for exceptions will be sent through the chain of command to Cdr, FORSCOM, ATTN: FCJ3-TRU.

**L-3.** Funds to support advisor travel cannot be drawn from that which has been established to support the ODT program. The appropriate CONUSA/WESTCOM/1st SOCOM will program and budget for approved travel.

**L-4.** Exceptions to policy.

a. Requests for exceptions must include the following information:

(1) Exact relationship between the advisor and the RC unit (assigned advisor, internally dedicated advisor, assistance officer, etc.)

(2) Contribution to the performance of ODT/unit mission that proposed travel will permit (knowledge of foreign language alone is not proper justification).

b. Request must arrive at HQ FORSCOM at least 60 days before travel. Requests received outside the stated time frame cannot be favorably considered due to lack of staffing time with the OCONUS command.

**L-5.** Any advisors approved for ODT participation will be an integral part of the unit/cell. No special billeting, transportation, or other administrative support will be required and none should be offered.

**Appendix M:**

**Procedures for Processing Unit Fund Dividend Requests**

**M-1.** Specific guidance below is references in AR 215-1 unless otherwise stated.

a. Paragraph 3-23 outlines procedures for payment of dividends to RC while in an annual training (AT) status.

b. Payments are made by the installation, Morale, Welfare and Recreation (MWR) Fund where training is performed.

c. The amount paid is computed according to HQDA annual announced rate.

**M-2.** Processing unit fund dividend requests and supporting documents will be specified by the OCONUS command.

**Appendix N:**

**Personnel Preparation for Overseas Movement**

**N-1.** This appendix pertains only to ODT participation.

**N-2.** Medical.

a. Deploying personnel will meet the medical requirements as prescribed in AR 40-501 and AR 40-562.

b. Human Immunodeficiency Virus (HIV) screening is required prior to departure as stated below:

(1) If deployment exceeds 180 days, screening must be accomplished within 6 months of the date of departure.

(2) For deployments of 180 days or less, screening must have been accomplished within 24 months of the date of departure.
